House to House Delivery

Postmaster Announces Letter Carrier Service

Postmaster Don Munro has informed this newspaper that at the end of the business day on Saturday, August 11, there will be three Sub-Post Offices opened at North Bluff and Nichol, Pacific and Johnston and Maple and Columbia.

Mr. Munro said there will be both a street letter box and parcel box at each of the Sub Post Offices. In addition, street letter boxes will be located at the following corners: Dupres and Marine, Magdalen and Archibald, Thrift and Everall, Johnston and Russell, Buena Vista and Finlay, White Rock and District Hospital, Buena Vista and State, Washington and B Street.

Clearance of mail will be once daily, from Monday to Saturday inclusive, at 5 p.m. to 5:45 p.m. There will be no collection on Sundays.

All financial services, such as purchase of Postage Stamps, Money Orders, posting of Registered OOD and Insured mail, etc., will be available. There will be no delivery of mail via either General Delivery or Post Office box at any Sub Post Office. Delivery of mail will be made from White Rock Post

Office only and will include delivery of ordinary Registered and OOD mail either by Letter Carrier or Parcel Post Courier.

Whereas the present cost of sending a letter from White Rock to either Hilltop or Semiahmoo or vice versa is now 5 cents, this will be reduced to 4 cents on August 13.

The additional staff required to put the new service into effect has been hired and is now in training.

Postmaster Munro further stated that too much emphasis cannot be placed on the importance of using the complete address, including, house number and street name on all outgoing mail and suggested that the return address on all mail should also be complete. If any adult has not yet completed a Directory Card as furnished by the Post Office, this should be done as soon as possible.

Mr. Munro stated he is pleased with the co-operation extended by the people of White Rock, Hilltop and Semiahmoo, and requested a continuation of that co-operation, especially during the transition period from the present to the new and improved service.

Day Nursery Set Up For Bambi In Ocean Park

By VI Billingsley.

There is a little bit of Disney magic to be seen in Ocean Park just now at the home of Mr. and Mrs. Louise Larsen on Marine Drive. Mr. and Mrs. Larsen and their two sons and daughter Mary Lee, are all ardent animal lovers so may be it is not just by chance that two smart deer figured out very nicely what to do with junior this summer.

"Here is a nice safe place," they said, looking over the Larsen's chicken run, "with no dogs, water in a pond and a good high fence all round. What could be better, so jump in, dear," they said, showing the little fellow how to do it, "and stay till we call for you in the evening and then we'll come back and take you for a nice walk in the forest."

So Bambi jumped in and Mother Doe and Father Buck jumped out. Bambi looked around, had a drink, cropped the grass and seemed mildly amused at the fat clucking hens and the proud strutting roosters. Then, accepting the pleasant retreat as his rightful day-nursery he quickly settled down in the almost ideal surroundings.

All this began about two weeks ago. Yesterday I came back after a few days in Vancouver and this morning I went to the fence to see if this arrangement was still the same. Alas! I could see no Bambi and I was just about to turn away a little sadly, when a slight movement caught my eye and there in the shade of a few boards, which made a sort of canopy over his head, sat the little fawn, his ears erect, his eyes wide and a little wary. His whole bearing was so royal, so full of natural dignity, so exactly like a changing prince in a fairy-tale, that I had a strange feeling that I ought to make a curtsy.

Well, I thought as I finally tore myself away from this scene of enchantment, after all, who can tell?

Irwin Opposes Surrey Store Hour Control

Tom Irwin, Delta M.L.A., told the Semiahmoo Sun today he is definitely opposed to the imposing of store closing hour controls in the municipality.

Referring to the public notice warning store owners that prosecutions will be laid for all Wednesday afternoon openings, Mr. Irwin said:

"If the authorities give a man a license to operate a store they should let him go ahead and do business. If he wants to stay open 24 hours a day for 365 days of the year, that's his lookout."

If there are employees there is legislation to control their hours of working. Mr. Irwin pointed out. A petition signed by 75 per cent of store owners is necessary before a plebiscite can be put before the people to change the 1917 Shops' Regulation Act, he said.

"It's high time it was brought up to date."

The Municipal Council have issued notices that commencing Wednesday, August 15, all

stores coming under the Act staying open will be prosecuted. They have stated that, in this matter, their hands are tied as they have no alternative but to enforce the law as it now stands.

WATER SITUATION

Regarding the current water situation, Mr. Irwin stated that the White Rock Water Works Co. "tells us they have all kinds of water yet they restrict watering."

Recently the company was relieved of some of their load through part of Sunnyside going on the Vancouver system, he said.

"As far as I am concerned the Company is not living up to its franchise," Mr. Irwin said. "Our water rates here are \$3 per month, to the best of my knowledge the highest rate paid in any other part of the Province is \$1.25 per month."

Mr. Irwin saw the installation of bigger pumps as the only solution to the water shortage conditions in the area.

Four Hour Fire Destroys Cloverdale Legion Hall

A five-alarm fire completely destroyed the Canadian Legion Hall at 175 B Lane, Cloverdale, on Tuesday evening. Also wiped out were the Kerfoot Holmes Printing Ltd. premises in the same building, and the Legion Cafe.

Total loss is estimated at \$100,000. Cause of the fire is unknown.

Answering the call were the Cloverdale, Port Kells, Newton, Langley and Blaine, Washington fire brigades.

Built about six years ago the two storey hall was of frame construction.

Jimmie Kerfoot a resident of White Rock and partner in the newly-established printing firm of Kerfoot and Holmes, told the Semiahmoo Sun, he and Ken Holmes were at work at approximately 6 p.m. when they heard what they thought were bangs on the top floor. When they went into the hall they found smoke already pouring down the stairs.

The firm which just opened for business in May estimate their loss at \$100,000 to \$120,000. Equipment is a total loss but is covered by insurance.

Fifteen people were evacuated from the building but no injuries were reported.

Newton Lacrosse Team Meet Calders Here

Newton Farm, Senior field lacrosse team, will play Vancouver Calders in the playoffs in Semiahmoo Park on Sunday. They will meet the Vancouver Burrards, Friday, at Memorial Park. The Newton team upset the Calders 10-6 in their last game, with brilliant goal-tending by Roy Howarth.

SOFTBALL FINALS

Semi-finals for the Senior C Softball League in Surrey for the balance of the week have been announced by President Walter Scott.

They are: Thursday, Whalley plays Queensborough; Friday, Pattullo South meet Green Timbers at Bear Creek Park; Sunday afternoon, Queensborough plays at Whalley; Sunday evening, Green Timbers meets Pattullo South at Bear Creek Park; Tuesday, Queensborough host Whalley; Wednesday, Pattullo South meets Green Timbers at Bear Creek Park, and Thursday, Whalley hosts Queensborough.

Coaches and managers of the Surrey Little League will meet Thursday at the Green Peacock Auto Court at 8 p.m.

Incomplete Breakwater Losing Money For W.R.

By Jack Burrows.

There's gold in them thar waves! And White Rock isn't even panning enough of it to say we are sampling the potential.

Hundreds of small boats and pleasure craft are cruising in the waters adjacent to our front yard everyday. A portion of these pull into some port to refuel and take on food and supplies. White Rock has the bay and the pier and the merchants to supply these boats. We have a favoured position as a customs port of call or clearing house.

About 50 boats a day call at Sydney on Vancouver Island and each leaves about \$50 to \$60 behind when it sets sail to continue on its voyage. I believe we in White Rock could tap this flowing gold with very little expense on our part.

INCOMPLETE JOB
The federal government started something which they failed to finish in our bay. The breakwater should and must be completed either being made longer or with dog legs toward the shore or some of both.

Once this is done we must print descriptive folders extolling the advantages of tying up at our wharf for fuel and food.

When the boats come to anchor they will, I am sure, be met by our wharfing, Mr. Wilson, with a cheery hello! how's the sailing and a moment or two of sailor chit-chat.

Let us hope that by that time we shall not have a charge for tie-ups of less than 24 hours. Over stays should be charged as elsewhere 1c per foot per day.

VICTORIA TAXI
When a prospect looks to the hills and rocks he sees potential wealth of one or more of

the 50 odd ores nature provides. As I look at the waves and rocks (breakwater) I see a flowing stream of traffic tourists and who perhaps knows a taxi to Victoria, which will be a welcome transfusion into the blood stream of White Rock. Let's get on with the job!

Overture Concerts Begin New Drive

A campaign to increase the membership in the Overture Concert series is being planned by the Association, Warren Slaughter, local chairman, said today.

The drive will start on September 7 and continue through September 17. Plans are to take in further territory to the south of the border with Lynden residents being given the opportunity to join in the cultural venture. Blaine is definitely interested and a number of memberships have already been subscribed from there, Mr. Slaughter said.

George Zukerman, bassoonist with the Vancouver Symphony, is president of the Association which now has local organizations in Revelstoke, Nelson, Oliver, Osoyoos and Oroville, Washington, as well as in Gibsons, Sechart, Williams Lake, Quesnel, and Prince Albert, Saskatchewan.

To date 175 advance pledge memberships have been sold. Mr. Slaughter said. Target for the campaign will be 400 memberships.

"The more members we have the more concerts we can put on," said the local chairman. The Overture Concert Association is the first organization of its kind in Canada.

The Rains Came But They Did Not Stay

On Wednesday, August 1, at approximately 5:30 p.m., the protracted dry spell in the whole White Rock area was broken, but as it turned out only briefly.

Clouds which had been threatening all day began to discharge a welcome shower which continued throughout the night. This broke a near record of 29 rainless days in July. On July 4, Max Zack, White Rock Weatherman, reported 32 inches of rain fell and again on July 5, a mere .04 was recorded.

Highest temperature in July was on the 18th when the mercury rose to 81. Lowest was July 28 when it fell to 44.

Mayor Sends Greetings To Moose Jaw Picnic

A replica of the key of the city of Moose Jaw was sent by the mayor of the prairie as a form of greeting to 150 former residents who gathered in Peace Arch Park last week for their seventh annual basket picnic.

It was received by Mr. Ivan Crosbie, Pacific Highway, who had been chief organizer for the affair. The Moose Jaw mayor expressed his regret that he could not be with the picnic-goers on their special day.

Mr. Crosbie gave the key to Mr. C. R. Bennetson, a former employee of the City of Moose Jaw, now living in White Rock. Approximately 15 former residents of the Saskatchewan city now live in this coastal resort.

Gas and Oil Signs Good at Key Gas Wells

Three days of testing have revealed definite signs of gas bubbles and evidence of oil at the Key Oil and Gas Company well near Abbotsford airport.

At about the 6,600 foot level the drill dropped into a sand formation. Testing at the 6,640 level brought the signs the drillers have been waiting for.

A. R. Reusch, Washington Ave., was recently appointed managing director of the Company.

New Commissioner For B.C. Scouts

Dr. D. F. KIDD

Appointment of Dr. Desmond F. (Chap) Kidd, Vancouver Consulting geologist, as Provincial Commissioner of the British Columbia-Yukon Boy Scouts Association has been announced by L. C. Way, president of the British Columbia-Yukon Provincial Scout Council. The announcement follows official confirmation of the appointment by the Governor-General the Honourable Vincent Massey in his capacity as Chief Scout for Canada.

Dr. Kidd assumes duties immediately as the chief uniform leader of British Columbia-Yukon rapidly-growing 27,000 Scout population.

Miss White Rock To Compete With 30 at PNE

Joan Mahon who carried the banner of the local swim club to victory in the recent Sea Festival Miss White Rock contest will compete with 30 other girls for the title of Miss PNE at the Pacific National Exhibition which starts its 11 day run on Wednesday, August 22. Dates of the Miss PNE Contest are August 27-28, and 29 with the finals on the last night, Twenty-four girls competed in 1955 when Miss Glenda Sjoberg, "Miss Nanaimo," was the winner.

Closing date for entries of sponsoring organizations was August 1. Twenty finalists have already been named and in the case of the balance authority was given for naming of finalists at their eliminations yet to be held.

New districts competing this year are: Peace River, Kamloops, Langley, North Shore, Port Moody, Prince Rupert, Quesnel, and Revelstoke. Kittimat and Ladysmith entered last year, will not have a representative.

W.R. Cricketers Down Vancouver Team

The White Rock Cricketers won another game on Sunday when they defeated the Vancouver Rowing Club at Connaught Park by 5 wickets. Robin Johnston again starred for the local club by scoring 50 not out. He was well supported by Arthur Capel, a recent arrival from England, who joined him in a partnership of 57 runs. Capel's contribution was 33.

After winning the toss, the opposing captain decided to bat first. With steady but unenterprising batting, the Rowing Club hit up a total of 106 runs. Top score was 27 made by Stewart, a former member of the Oak Bay C.C. The bowling honours were shared by Charlie Collison, Brian Butcher and Robin Johnston, with 2 for 23, 2 for 13 and 4 for 20 respectively. White Rock started off slowly scoring only 23 runs for 3

wickets in the first 50 minutes before Johnston and Capel became associated in their partnership which put the White Rock team well on the way to victory. When stumps were drawn the score was 118 for 5 wickets made in just under two hours of play.

White Rock: J. Frederick c and b Kaye 5; G. Clay b Kaye 8; W. Shelton b Mercer 4; A. Capel c and b Alice 33; R. Johnston retired 50; C. Collison b Kaye 1; R. Marshall not out 12; L. Marshall not out 2; extras 3; total (for 5 wickets) 118.

Butcher	8	2	13	2
Clay	5	1	10	0
Capel	4	1	12	1

The next game will be played against West Vancouver at Ambleside Park on August 19.

Haircut Prices Boosted Here

Prices for barber work in White Rock are due for a rise today.

In future adults will pay \$1.25 to have their manly locks trimmed. If Junior doesn't keep his red and white striped pole on a red and white stripe pole on a weekday he will pay \$1 for the same treatment on Saturday. If he gets there on one of the other five days of the week it will set him—or dad—back a mere 75 cents.

That's the official word from

Peace Park Films

Films shown at the Peace Arch Park on Sunday evening at 5:30 p.m. were "Song of the Algonquin" and "Vacation Time in the Rockies."

These films are sponsored by the White Rock Depot of the Surrey Film Council. Projectionist is Mr. N. Summerton.

NOW your money
grows faster in your
Royal Bank
Savings Account

Interest on
Savings
increased to

2 1/4%

Starting August 1, The Royal Bank of Canada will increase the interest paid on your personal savings to 2 1/4 per cent a year. Interest will be computed and credited to your account every six months, on April 30 and October 31.

With the new higher interest rate, your savings will grow faster than ever — a strong inducement to build your account by making regular, systematic deposits every pay day.

If you are not already a depositor in the Royal Bank, call at your nearest branch and open your savings account today. The size of your initial deposit is not important. A single dollar will start you off. The important thing is to save on a systematic basis by making deposits, regularly, every month without fail. You'll be surprised how quickly your savings will grow. And remember... they now earn a higher rate—2 1/4% a year.

There's nothing quite like money in the bank.

THE ROYAL BANK OF CANADA

Hilltop Branch V. B. S. Martin, Manager

The COMMON ROUND

TURKEY EVERY DAY is a new slogan now coming into use in B.C. and I can't help wondering just how much it can mean. So far as I can judge from the comments of the turkey raisers themselves it is not quite the popular conception with them the enthusiastic boosters might think. As one White Rock turkey breeder said, "It keeps me busy trying to supply the demand for the special days." However, the government can dream in this instance as in many others I suppose, for the latest boosting in the cause of turkey, not in the straw but in the oven every day, comes from the Department of Agriculture, Victoria.

ONLY A FEW YEARS AGO turkey was looked on as a major treat only to be attained at Christmas. Later when Canada adopted the American custom of celebrating Thanksgiving (an unnecessary move in my opinion for we already had the tradition of marking the season of fruitfulness with our harvest home church services), turkey began to take a prominent role in the new Canadian Thanksgiving day. Now it is to be "every day" (figuratively speaking, I hope) that the retailers would like to see us "enjoying" the delicacy.

I DON'T WANT TO KNOCK any means which might help a producer to make an honest penny, or dollar either, but I can't help feeling that most turkey breeders are quite satisfied with things as they are and will not reap any greater financial returns from this type of campaign. How he would keep up with the demand—if what the boosters claim they want to see happen does happen—is something I can't quite figure out. And what is going to happen is a special dish for special days? Gone will be another part of the magic which we associate with Christmas—the smell of a big tom roasting in the oven. If the big time boosters have their way, it won't be long until Junior coming into the family kitchen to be greeted with the by-now all too familiar odour, will say, "Not turkey again!"

JUDGING BY STATISTICS released on the subject the turkey-raising business is not in too much need of this extra shot in the arm to put it into the prosperous class. Reports say that last year almost five million pounds of this popular

meat was marketed through government-registered stations, besides great numbers of birds sold through other channels. This was an increase of 1.3 million pounds over the previous year. According to latest figures, an even greater quantity will be sold in the current year, for the poult hatch for the five months of 1966 was up 10.2 per cent over the same period in 1965.

A FRASER VALLEY MAN, Jesse Trossel of Aldergrove, is credited with a big responsibility in the changing turkey picture for it was he who was chiefly responsible for the introduction of the broad-breasted turkey to the valley. He brought three "John Bull" turkeys to Canada from England in 1934 and proceeded to breed this popular type which has now become famous over the entire North American continent. In 1955 marketing in Canada totalled 43.7 million pounds, about two and one-half times the 1951 consumption.

Yes, I think we are doing all right as we are. And remembering how most men hate the turkey "leavings" which usually wind up in some fancy dish like Turkey Mousse or Soup à la Tom, I think lots of other male eaters will agree with me.

This and That

NICE GOING DOC!

The medical student got tonsillitis, appendicitis, pneumonia, and wound up with neuritis. Then they gave him hypodermics and inoculations. Finally he explained, "When I never thought I'd pull through that spelling test."

What mothers should save for rainy days is a little patience.

FORESIGHT

Two cars met in a head-on collision. Both drivers got out and began to apologize profusely.

"I'm so sorry," said the woman. "It was my fault."

"Not at all, madam," the man responded with gallantry. "I was completely to blame."

"But I was on your side of the road," protested the woman. "That may be true, madam," replied the man positively, "but I am responsible for the accident. I saw you coming three blocks away, and had plenty of time to have turned down a side street."

WELL PRESERVED

A nest of acorns found recently in the heart of a redwood tree were believed put there before Columbus discovered America.

THE DOGDAYS.

What are we doing in White Rock, at this season of the year?

I don't refer to the many visitors, who come from far and near.

But to our home-town people, our permanent residents.

If I said we just jog along, that might be an offence.

There's the house work and the garden, they don't take all our time.

Those in business must keep working, in spite of rain or shine.

We're in what is called the Dogdays, that's July to September.

Rises and sets does the Dogstar, you astronomers will remember.

But we'll not go into that, tho' Sirius is over our heads.

You know dogs bark on a moonlight night, and annoy us in our beds.

Anyway things are on the dull side, nothing new in a general way.

So we move along complacently, and to-morrow's another day.

We can talk about the weather, and July was pretty hot.

If it looked like rain, you'd hear Pat say "there won't be much unless there comes a lot."

(Tides at Crescent are 50 minutes in advance of White Rock.)

Well Done, Semiahmoo!

Results of departmental examinations just issued should be a cause for pride on the part of our local high school staff as well as all interested parents and individuals in White Rock. We hope the numbers of the latter are many.

Not only did a Semiahmoo High School student come third in the province in the senior matriculation examinations with an average mark of 86.2, and receive a Royal Institution scholarship, another student of the same school stood seventh in the province with an average of 85.0. All told, Semiahmoo High School graduated 97 per cent of its Junior Matriculation students and 98.5 per cent of its Senior matriculation class.

The Royal Bank of Canada in one of its Monthly Letters, which are always noted for their sound and thoughtful analysis of present day problems, had some excellent things to say on education in their August number.

Addressed particularly to girls and boys, or young men and women weighing the advantages of obtaining an education, the Royal Bank article pointed out that the real benefit of an education is knowledge and understanding and not a long list of memorized facts.

Repeating a much-used truism, which, however, should never be overlooked, the writer said that the main purpose of education is to teach young people to think.

More than that, we would say education when of the right sort, helps people to see things clearly, to distinguish between the essential and the trivial and to give the receiver a frame of mind and system of thought and judgment which will fit him into a definite place in life.

Judging by the results already observed of Semiahmoo graduates who are making names for themselves in the world of science and public life, it is safe to bet that the local school and its staff are seeing to it that the pupils under their charge are continually working towards these ideals.

We Are All Shamed

If reports coming out of Pentiction about the retention there of the original world hockey trophy are true, all Canadians should hang their heads in shame.

Back in 1935, all Canada hailed the Pentiction V's, the conquering world hockey champions, upon their return from Europe where they had defeated a Russian team. It was a big thing for a small nation like ours to do and a bigger thing for the Okanagan city which thus for the first time stepped into the blinding light of a world stage. Maybe we praised them too much and too soon.

It was not long before disturbing reports began to get back to Canada about the behaviour of some of the Canadian team while they were in Europe.

No one condoned these actions but too many dismissed them with a shrug. Excuses were made for the Canadian players, though some commentators admitted that in their excitement some had been very indiscreet.

Now comes the report that a replica of the real trophy was made and sent to the International Ice Hockey Federation. This apparently was the one given to the Russian team who won the championship this year. It is said the real trophy is being publicly displayed in Pentiction.

This is a pretty cheap trick unworthy of any self-respecting sportsman or nation. There is absolutely nothing which could justify such action and reports of this kind will stamp Canadian athletes as the poorest kind of sports. They can only have the very worst effect on world relations at a time when good will is imperative for humanity's survival.

This unsporting trick should be rectified immediately with apologies to the Russian hockey team and action taken against those responsible for thus degrading Canada in the eyes of the world.

Between Two Gas Fires

The housewife in White Rock, or in the municipality at large, today is in the uncomfortable position of standing between two gas fires. It is not to be wondered at therefore that she at present is a bit confused.

Without taking sides too strongly, Mrs. Housewife can clearly see that the municipal plan, here and in Chilliwack, for gas distribution might be a good one in the long run, with excellent profits accruing to the district in which she lives. As a taxpayer she appreciates that fact. But the shorter view, which would have encompassed gas laid down in her home by the B.C. Electric by November, has some mighty attractive features, too. She realizes the B.C.E.R. is well-equipped financially to operate gas distribution economically. Moreover they have a long head start, over their opponents in the field, in the matter of securing the necessary pipes.

Looking at the problem from both angles, Mrs. Housewife can surely be pardoned if she expresses a regret that the municipal council involved had not decided to take the action they are now entering upon a great deal sooner.

If they had, there would have been a chance that gas would flow through taxpayer-owned pipes to her kitchen by this fall, too. She would like to see municipal coffers enriched as they are in New Westminster through the sale of B.C.E.R. electricity to the city, which then carries the distribution to the consumer.

But Mrs. Average Housewife also wants that natural gas as soon as possible.

Dear Friends:

During the year I have made it my business to draw to the attention of the government the problems that face my constituents and to have them rectified wherever possible. I must admit that I was on the whole quite pleased with the results, though I am still unhappy with the government's decision to do no more in the way of further assistance to those in dire need.

One of the questions I drew to the attention of the Minister of National Health and Welfare, the results of which were most gratifying for it received such rapid attention, was the question of colour additives to give oranges a better appearance. I mention this because it has been drawn to my attention that one of my constituents claimed I was talking about oranges when I should have been talking pipe line.

Well I wasn't talking about oranges at that time—I merely asked a question on the order paper and orders of the day. Had I been, I would not apologize for I consider the health of a nation extremely important.

The danger in the use of this colour lay in the fact that it had a coal tar base. The De-

partment of National Health and Welfare, after I raised the question, found it undesirable to continue using it, so issued instructions that beginning August 1 no oranges artificially coloured with a coal tar substance be permitted entry into Canada. Enough said!

A question which did not meet with the same success but which was debated for several hours, was the revision of the clause defining income by the insertion of the words "other benefits of any kind whatsoever."

Members of the opposition wanted this named out, for the minister indicated it would not include such items as a turkey at Christmas, but it would a refrigerator or use of an automobile furnished by a company to a salesman.

Opposition argument centred about the fact that those paying income tax did not know how to interpret it since it was not clearly defined—but the section was passed. I can only suggest if you are in doubt, when you make out your income tax form next year, you may be well advised to get clarification from the Income Tax Branch.

I hope to see you soon.

Sincerely yours,

G. HAHN.

FACTS and FANCY

SALLY ROSS ALLANSON.

THE FIRST PAPER PATERN ever cut was in France around 1884. At that time the process was reversed. A dress was first made from which a pattern was then cut.

THE "BONANZA KING," a stern wheeler used during the gold rush of '38 and now resting on the banks of the Yukon River, Whitehorse, on its first trip made three times the amount it had cost to build the huge ship.

FUNGI—that strange and fascinating form of plant life can live forever if conditions are right. There are one hundred thousand known species, some so strong they can crack stone and burst cement.

ONE OF THE FIRST RAILROADS, and the oddest, to be built in Canada was one laid along the banks of the Yukon river, near Whitehorse rapids in 1898. Built for the use of gold seekers headed for the Klondike, its rails were of wood, and its "engine," a horse.

A LINK WITH THE PAST and stage coach days is Mr. A. Stone of Stones Orchards, Quincy, Illinois. Mr. Stone was the last book-keeper for Mr. G. Miller who constructed the coach, now on display in the Cariboo, by hand in 1894. The firm of Miller and Company exported

wheeled vehicles to all parts of the world, the last two being Banff, Canada, and a point in Turkey. The term "stage coach" has been used loosely as regards many so-called. Only those suspended on straps are the real McCoy—and are, without exception, known as the Concord coach. The Miller coaches are suspended on springs.

THE PILLAR is one of British Columbia's most curious natural phenomenon. Fifty-four miles east of Kamloops, standing aloof on a forested slope is this strange monument—like a column of rock. From Falkland leading north for nine miles—a paved secondary road brings the traveller to Pillar Lake. Just beyond this—a little over 200 yards—the base of the Pillar is situated. One hundred feet high, with a huge slab of rock perched atop like a hat, the pillar dominates the country side.

Legend has it the Spire is man made, but geologists give another nature the credit. Made up of many different-sized rocks that are seemingly cemented together with what at first appears to be yellow-brown mortar, the pillar, whose resemblance to a huge stone totopole is remarkable, is actually all that is left of the rocks and sand of what was once the bank of a mighty prehistoric river.

Flashbacks Of The Past

(From Semiahmoo Sun Files)

August 9th, 1940—SCHOOL OF WHALES VISITS BAY.

Several large blackfish were noticed cowering in the waters just off the pier last Friday. Large black fins gave rise to the speculation they might be sharks but field glasses soon identified them as pilot whales.

August 16th, 1940—SEA SERPENT PAYS ANOTHER VISIT HERE.

Semiahmoo honoured some of our visitors by a personal appearance. The best description to date of our local pet has been obtained. It was about 30 feet long, had a thin flat head which cut the water like the prow of a boat and threw spray high. It was travelling at a good speed and three huge coils with fins were visible.

August, 1939—PRICES IN LOCAL STORES.

Butter, 3 lbs. 70c	Best Tea, per lb. 45c
Cheddar, mild, per lb. 21c	Shortening, 3 lbs. for 25c
Jam, strawberry, 4/6 52c	Coffee, per lb. 25c
Chicken, fryers, per lb. 20c	Green Corn, doz. 20c
Hamburger steak, 2 lbs. 25c	Apples, large, baskets 15c
Beef, baby beef, per lb. 25c	Pork Sausage, per lb. 18c
Sugar, 3 lbs. 25c	Oranges, per doz. 15c
Potatoes, 10 lbs. 11c	Grapefruit, 6 for 25c
	Salmon 1 1/2, per tin 10c

"Prairie Days" were talked over at the home of Mr. and Mrs. O. Stenstrom, Clow Road, when they entertained former Saskatchewan neighbours, Mr. and Mrs. Garnet Brisco, Earle Brisco, and Miss Alma Brisco, all of Vancouver, and Mrs. Geo. Walker, of Somme, Saskatchewan.

Recent weekend guests at the home of Mr. and Mrs. V. G. Johnson, of Johnston Road, were their niece and nephew, Margaret and Philip Strange of Vancouver.

The whole month of August to be enjoyed seeing friends in other provinces and visiting new and familiar places is the good fortune of Mrs. S. Burns who left by train for Kitchener, Ontario, and other points en route. On her return she will be accompanied by her young daughter, Barbara, who has been spending her school vacation in the East visiting relatives.

Mr. and Mrs. D. James and their sons Paul and Tom, of Sarnia, Ontario, visited last week with their relatives, Mr. and Mrs. Robert Ormerod of Sunnyside. They had a delightful trip by car, coming by way of the States. Well supplied with colour film, the family captured many interesting scenes en route, including our own Peace Arch Park.

Guests of Mr. and Mrs. S. Olynk of the American Motel are their grandchildren, Kathy and Paul of New Westminster.

Mr. and Mrs. Dave Chorney have left Sunnyside to make their home in Ontario.

Mr. and Mrs. P. Welter of Kitimat visited briefly in Sunnyside before going on to Saskatchewan where they will visit relatives.

Mr. and Mrs. Christopherson of Klamath Falls, Oregon, were recent visitors of Mr. Davison of F St., Sunnyside.

Mr. and Mrs. Armand Granbois and sons of Cowichan, and Mr. and Mrs. Paul DePauw and children of Vancouver were guests of Mr. and Mrs. Len Hannusch of Sunnyside. Mr. Granbois and Mrs. DePauw are brother and sister of Mrs. Hannusch.

Mrs. McColl of Edmonton and Mrs. Ralph Cropley of Gibbons, Alberta, are visiting Mr. and Mrs. Ray Munro of Sunnyside. Mrs. McColl is Mrs. Munro's mother and Mrs. Cropley, her sister.

Mr. and Mrs. Tom Haines, Jr. and children holidayed near Nelson where they fished and swam and sunned themselves to their heart's content.

Mr. and Mrs. Charles Standish and Charles, Jr., were visitors to Sunnyside at the weekend where they renewed acquaintance.

Rabbit Association To Hear Report

Jimmie Allen and secretary J. Simpkin were appointed at the last meeting of the Fraser Valley Rabbit Association to meet with a committee from the BCRBA on matters affecting the two organizations and all rabbit breeds in British Columbia. Their report on this meeting will be given at the next General Meeting, on Monday, August 20.

Arrangements for the Rabbit Show at the Cloverdale Fall Fair, are now well under way. Enquiries from points as far distant as Vancouver Island have already been received. Show catalogues will be in the mail very soon.

The Fraser Valley Rabbit Association meets on the third Monday of every month, in the basement of the Sullivan Hall, on Johnston Road, just south of Howe Road at 8 p.m. Visitors are cordially welcomed.

Ocean Park

The sympathy of the entire community goes out to Mrs. J. R. Douglas and family on the sudden passing of Mr. J. R. Douglas, and to Mr. and Mrs. D. W. Welch and family on the sudden death of Mr. Welch's father, Mr. Welch of Howard Road.

Mrs. P. C. Demerise of Iroquois, Saskatchewan, and Mrs. A. Saylor of Rosedale, Saskatchewan, are the guests of the former's sister-in-law, Mrs. L. Lamonde.

Mr. and Mrs. Handford and family, Maygar, Saskatchewan, arrived on Saturday to take up residence on Stokes Road.

Crescent Fire Brigade W.A. Raise Funds

The Women's Auxiliary to the Crescent Beach Fire Brigade (Volunteer) held a home-cooking sale on Saturday, and raised approximately \$25 thereby. They will meet each fourth Thursday, and the next meeting will be at Mrs. Farnham's on Giblin Road, at 8 p.m., Thursday, August 23.

Mr. and Mrs. Harrison of Los Angeles were visitors over the weekend with Mr. and Mrs. Charles H. Curry.

Business people in Crescent and their customers, mostly summer visitors, and Wednesday holidayers, are concerned about the hardship which enforced Wednesday closing will bring upon them, especially the customers. It would seem that another closing day of local choice would make everyone happier.

Lady Caroline Dunn, of Victoria, visited with her niece, Mrs. E. E. Wade, of Cedar Drive, recently.

Mr. J. I. Merry has returned from Shaughnessy, somewhat improved.

Mrs. H. G. Wade has returned from Vancouver Island accompanied by her four sons.

BRITISH COLUMBIA DEPARTMENT OF AGRICULTURE
HONOURABLE W. K. NIERNAN, MINISTER

Popular Comedy "Harvey" Opens Mon.

Magicians who pull rabbits out of the hat have nothing on White Rock Players, who are pulling a six-foot white rabbit out of their bag of tricks to entertain summer playgoers.

"Harvey," one of the most popular and successful comedies of stage and screen in the past decade, will provide laughs here all next week, when it opens at six-night run Monday at the

Little Theatre.

Harvey, the six-foot rabbit, is a friendly agent of the imagination of Elwood P. Dowd, that inimitable character created on the stage by Frank Fay and in the movies by Jimmy Stewart. (Locally he'll be played by Franklin Johnson). But before the play's end not only Elwood but several others in the cast and—Players are predicting—some of the audience as well are going to be able to "see" Harvey.

COMEDY ROLE

One whose ability to see Harvey leads her into nothing but trouble is Elwood's sister, Veta Louise, who will be portrayed by White Rock comedienne, Peggy Procter.

Other local favourites making up the cast include Enid Saunders, Felicie Mitchell, Barbara Weston, Sheila Lane, Guy Weston, Phil Procter, Rob Glen, Cy Amos and Brian Lane.

Reservations should be made

early at the office of J. P. Mitchell, Monday will be two-for-one night.

Children's Art

Work Displayed

An exhibition of the work of children who took part in the painting in the Park project, sponsored by the PTA and Arts and Crafts League, will take place in the Library on August 15 at 7:30 p.m.

Mr. Len Shepherd, chairman of the School Board will open the exhibition. Acting chairman will be Mr. Peter Williamson, retiring president of the White Rock PTA.

There were 33 White Rock children enrolled in the 1956 summer classes. The instructor was G. Wally Mulholland, art instructor at Prince of Wales High School, Vancouver. Past President of the Art Teachers' Association he has taught six years in the Art Gal-

Family Re-Union To Be Held In England

An exciting three month trip is in store for Mrs. F. Noosy, Marine Drive, who left for England last Wednesday by Trans-Canada Airlines. Mrs. Noosy's son, Mr. George Noosy, of Arabia, with his wife and family will join his mother in England for a family re-union, which in past years has taken place in White Rock, but this year they are re-uniting in the old country. It is 37 years since Mrs. Noosy came to Canada and she is anxiously looking forward to seeing her sisters and other relatives. While Mrs. Noosy is away from White Rock her home will be occupied by another son and his family from the United States.

CALIFORNIA HOLIDAY

Mr. and Mrs. James Murray, Columbia Avenue, arrived home last week from a three-week holiday spent in California, where they were visiting their son-in-law and daughter, Mr. and Mrs. R. James, of Long Beach.

RETURNS FROM ENGLAND

Mrs. Sheford Darton, a former resident of White Rock, has returned from a 15 month trip to England and is now the guest of Mrs. J. W. McAuley, Marine Drive.

LEAVING IN SEPTEMBER

Miss June Southwell, Marine Drive, will accompany her mother, Mrs. J. Southwell, as far as New York when the latter begins her return journey to her home in England at the end of September. Mrs. Southwell has been visiting her daughter here for the past four months.

RETURNS TO PEI

After visiting his family here in White Rock for three weeks as well as his parents in the Royal City, Flying Officer Douglas McGrath, RCAF, has returned to his station at Summerside, Prince Edward Island. Mrs. McGrath is again acting as coach for the local swimming club.

LEAVE FOR EDMONTON

Mrs. Geoffrey Macdonald and her two daughters, Heather and Janet, left on Saturday by train for their home in Edmonton, Westminister.

They have been visiting at the home of Mrs. Macdonald's father-in-law, Mr. C. N. Tingle, Washington Ave. Also returning to Edmonton is Miss Joan Tingle, a grand-daughter of Mr. Tingle. She has been the guest of Mr. and Mrs. Bob Tingle, Washington Avenue for the past two weeks. Miss Tingle's parents, Mr. and Mrs. Albert Tarbuck and their two sons, Richard and Aubrey Tingle, also left on Friday by motor for the Alberta city.

FROM WINNIPEG

Mr. and Mrs. C. Davie of Winnipeg are at present visiting their son and daughter-in-law, Mr. and Mrs. Alan Davie, Goggs Ave. An aunt of Mr. Alan Davie, Mrs. S. Munro of Toronto, is also a guest at the Davie home.

ONTARIO GUESTS

Weekend guests at the Malabar Avenue residence of Dr. J. H. and Mrs. MacDonald were Mrs. Gordon Taylor of Tillsonburg, Ontario, and Mrs. Mabel Carrothers of Belmont, Ontario. Mrs. Kim Tann and daughter Tauri of Port Arthur, Ontario, and Mr. and Mrs. Ashley Kerridge and son David of Chilliwack were also visitors at the MacDonald home.

HOUSE GUESTS

Mr. and Mrs. W. Hockley of Nichol Road had as house guests during the past two weeks, Miss Edith Playford and Miss Adele Siddley of Vancouver, and Mr. and Mrs. J. Edwards of New Westminister.

RETURN FROM TRIP

Mr. and Mrs. Ray Ferguson of Stokes Road and Miss Carol Plunk of Vancouver, have returned from a holiday at Rosario Beach and Pidalgo Bay. Visits were also made to Mineral Springs, high in the Cascades, Deception Pass and Whidbey Island.

INTERIOR HOLIDAY

Mrs. R. Eason with daughters Dorothy, Patricia and Linda are holidaying in the Prince George area.

ON BOWEN

Mr. and Mrs. Graham Cann, West Beach Avenue, were guests at the Evergreen Resort, Bowen Island, last weekend. They were very much impressed with the beautiful flower gardens and the setting of the hotel.

RELATIVES VISIT

Mrs. Hilda Perkes, West Beach Ave., had a surprise visit from 10 relatives Sunday, who travelled from Manitoba, Sas-

katchewan and Alberta, several of whom she had not seen for 30 years.

HOLIDAYERS

Miss Shirley Waters of Langley is spending a few days with her aunt, Mrs. Jessie Lee, of Victoria Ave. Miss Barbara Lee has returned to White Rock after spending six weeks at Campbell River as guest of her sister, Mr. Fred Fernyhough.

Crescent Church

Marks 25th Year
The 25th anniversary of The Church of the Ascension, Crescent Beach, was celebrated on Sunday, July 29. The special address was given by Bishop G. P. Gower of the Diocese of New Westminister. The service was taken by Canon J. E. W. Phelps, Vicar of the parish, assisted by Canon M. W. Holdom and Rev. E. C. R. Pritchard.

At the close of the service a social time was held in the Sunday school room by members of the W.A. to enable members

of the congregation to meet the Bishop and Mrs. Gower. Mrs. J. E. W. Phelps acted as hostess. Mrs. H. Rhines was general convener.

Clubs and Lodges

The WCTU will resume its monthly meetings for the coming season on Wednesday, September 5.

The White Rock Colour Photography Club are holding their next meeting on Friday, August 10 at 8:30 p.m. in White Rock Library. Members are requested to bring four of their best slides for evaluation at the end of the season for presentation of a ribbon for the best slide.

Near the shores of the Arctic Ocean, at Akavik, Northwest Territories, the temperatures sometimes rises to 80 degrees in July. Fort Smith, in the Northwest Territories, has recorded a high of 103 degrees.

Theobalds Honoured At Silver Wedding Anniversary

Many friends of Mr. and Mrs. and daughter-in-law, Mr. and Nigel D. Theobald gathered at their new North Bluff Road home last Saturday to celebrate the 25th wedding anniversary of the well-known local couple. Here for the occasion from out-of-town were the couple's son

Double Christening Takes Place Sunday

Two little principals, sons of Mr. and Mrs. Galt Wilson, Prospect Ave., will share the spotlight on Sunday afternoon at 3.30 pm., when they are christened by Rev. E. Pitt Griffiths in the Church of the Holy Trinity.

The elder of the two, handsome 18 months old John Galt, will have as godparents, Mrs. M. Ellis, of Vancouver; Dr. John C. Becher, Burnaby, and Mr. Glenison Baker, Deep Cove. His tiny 6 months old brother will

receive the names James Blair. His godparents will be Mr. A. K. Thompson, White Rock; Mr. Wilson St. John, Vancouver, and Miss Barbara Wilson, Hamilton, Ontario.

Present for the occasion will be the little ones' grandmother, Mrs. Dr. W. L. Denney of London, Ontario, and the paternal grandparents, Dr. and Mrs. Ivan D. Wilson, of Goderich, Ontario. After the christening an afternoon reception will be held at the home of Mr. and Mrs. Galt Wilson on Prospect Ave.

Ohio Family

Visit Ocean Park

Mr. and Mrs. Alvin Miller, of
Columbus, Ohio, arrived on Wed-
nesday by train to visit Mrs. Miller's
parents, the Rev. Thos. and Mrs.
W. Johnson, Marine Drive. Here to
stay for two weeks the couple
plan to go back by the Cana-
dian Pacific Railway in order
to see the Canadian Rockies.

The new home of Dr. Louis
Biro and Mrs. Biro on Marine
Drive, is rapidly nearing com-
pletion on its high situation
which commands a beautiful
view of the Gulf waters.

After spending a week in
Vancouver visiting her son-in-
law and daughter, Mr. and Mrs.
H. T. Smith, Mrs. Gordon Bil-
lingale has returned to her Ma-
rine Drive home. While in the
city she attended a rehearsal
of the UBC Summer School pro-
duction of "Midsummer Night's
Dream." A friend of Mrs. Bil-
lingale, producer Don Wilson, is
in charge of the production.

Mr. and Mrs. W. H. Logie
have returned to their Marine
Drive home after a lengthy
trip as far east as Ottawa and
New York. At Brockville, Onta-
rio, where they met their
daughter, Miss Mina Logie, who
has been touring Great Britain
and Europe since March, they
visited their son and daughter-
in-law, Mr. and Mrs. Malcolm
Logie before going on to New
York with them by car. Miss
Logie during her trip abroad
had the pleasure of visiting her
father's birthplace on the Is-
land of Westray in the Orkney
Islands.

The sound of bulldozers is
becoming more and more fami-
liar in Ocean Park as orchards
and stands of native trees give
way to home sites. Latest big
piece of property to be cleared
for building lots is the Desley
farm-front acreage on Marine
Drive.

Some 500 deck chairs, 850
saw trays, 1500 deck chair cov-
ers will be used aboard the
new Canadian Pacific flag-
ship Empress of Britain.

Rites Held for Pioneer

School Teacher

The Lower Mainland lost an-
other of its pioneers when death
took Mrs. Agnes Taylor Smith
of 16335 Brown Road in her
86 year on July 29. Mrs.
Smith had been a resident of
the Fraser Valley for 62 years.

A graduate of Ottawa Normal
School, she taught at Carlton
School from 1911 to 1917. Her
son, Robert, is at present prin-
cipal of Carlton School. Mrs.
Smith's husband, who prede-
ceased her, was chief engineer
on the Old Empress of Japan.
A well-known and highly-es-
teemed person, Mrs. Smith will
be greatly missed by her many
friends.

Besides her son, Mrs. Smith
is survived by two daughters,
Mrs. Grace Fletcher of Burna-
by and Mrs. Ada Lintelmann of
New York. A sister, Mrs. A.
Cassals of Connecticut, USA, 5
grandchildren and 1 great-
grandchild also survive her.

Funeral services were con-
ducted by Rev. T. S. Humphreys
in Royal Oak Funeral Chapel,
with burial in Ocean View
Burial Park.

Crescent L.A. To Buy

Firemen's Coveralls

The Ladies' Auxiliary to Cres-
cent Beach Ocean Park Fire
Department (Ocean Park
branch) held a roadside home-
cooking sale on Saturday, Aug.
6. So successful was it, that the
ladies plan to hold another sale
in the near future. Proceeds of
sales will go towards the pur-
chase of coveralls for all volun-
teer firemen. One of the high-
lights of the sale was the serv-
ing of ice cold root beer, made
and donated by Mrs. Estelle
Shields. The Ocean Park diner
donated and served tea and
cookies to the ladies during the
afternoon.

Weekend guests at the home

of Mr. and Mrs. R. Allanson
were Mr. and Mrs. W. Moffat of
Innes Arden, Seattle, and Mr.
and Mrs. Rodney Allanson of
Vancouver.

Douglas Man Marks

85th Birthday

Mr. S. V. Haight, Boundary
Road, celebrated his 85th birth-
day on August 4, the same day
that her Majesty, Queen Mother
Elizabeth, marked her 56th an-
niversary. All members of his
family helped Mr. Haight to
celebrate the very special day.
Among friends visiting for the
occasion were Mr. and Mrs.
George Blake of New Westmin-
ster and daughters, Carol and
Kathy. Also calling later in the
week with his congratulations
was Mr. Harold Tobiasson of
Hamilton, Ontario, who was
visiting relatives in White
Rock.

Mrs. Marcus Smythe, Boundary
Road, entered the White Rock
Hospital on Tuesday as a pa-
tient. Her neighbours all send
best wishes.

Mr. and Mrs. Wilfred Crosbie
of Caron, Saskatchewan, are
guests of Mr. Crosbie's parents,
Mr. and Mrs. Ivan Crosbie, Pac-
ific Highway. Also visiting are a
daughter and her husband and
family, Mr. and Mrs. H. Cannon
of Marquis, Saskatchewan.

Mr. Tom Barrett, Murphy
Road, is at present a patient in
Shaughnessy Military Hospital,
Vancouver.

Mrs. Esther Crossfield has re-
turned home after a lengthy
stay in Shaughnessy. She is now
progressing well.

The Peace Park Happy Hob-
by Group met on Tuesday at
the home of Mrs. Edith Field,
on Royal Ave., White Rock.

Eagles Girls Band To Play in Bellingham

Two buses were chartered for the Eagles Girls Band and Majorettes on July 28 when they journeyed to Concrete, Washington, where they were cordially received by the Concrete Eagles who provided them with a free meal and gave them tickets entitling them to all the treats they wished for. Bandmaster G. R. Currie and Majorette instructor, Miss Jo-an Duck, were justly proud of their charges when the majorettes, competing against four other groups, took second place trophy, and the band, competing against three other entries also took second place trophy.

The girls have been invited to Bellingham, August 11, to take part in the Orangemen's parade there.

Mrs. Frank Dent and daughter Dianne, returned from a trip to Red Deer, Alberta, and

other points of interest. On their return they were accompanied by Dianne's friend, Miss Marjorie Clark of Red Deer, who will visit her father and friends in the neighbourhood.

Mrs. A. Eustis and little children, Kimberley, Beverly and Scottie are guests of Mrs. Eustis' parents, Mr. and Mrs. Stanley Barker of Sunnyside, coming by air from their home at Kitchikan.

Announcement.

In the Garden

By G. E. Sery, Garden Editor.

Enclosing Your Garden

There is something of a charm in a garden which is at least partly enclosed by some form of ornamental fence. The garden enclosure does not need to extend beyond the house line and on to the road boundary, for if it does it might create a discordant note in the neighborhood. It would be sufficient to enclose the private garden usually located at the back of the house.

Often a garden is enclosed with some kind of evergreen hedge, which is very ornamental, but make a lot of work in its upkeep. A neat, simple kind

of wooden fence is very attractive, and usually makes a capital background for a perennial border.

A simple Colonial picket fence is easy to put up and if a small gate is called for, this should be made to match the rest of the fence.

A four foot high fence with horizontal pine strips 3 inches wide and spaced 1½ inches apart makes a good background for a flower border. Or, a vertical paling type might be more suitable. Something of a more ornamental fence may be made with rustic materials.

Any such kind of fence creates an enclosure which will provide the home owner with a certain amount of privacy.

REPLACING OLD PLANTS IN THE ROCK GARDEN

Controls are needed for the rock garden. Rampant growing plants often have to be removed or divided, otherwise they soon take more than their allotted area. Fill-ins have to be made to fill gaps.

Two good rock garden replacements are Irish Verna and Siberian Coral Lily.

Irish Verna is a dwarf plant and one that is sweetly scented. It produces blue flowers with conspicuous yellow centres. It grows best in shade in soil that is at least slightly moist. Its foliage does not exceed six inches in height.

The Siberian Coral Lily is also a dwarf type. It produces fiery coral red flowers on short stems which give brilliant splashes of colour in the rockery. Dormant bulbs can be planted in the Spring, or they can be ordered for Fall delivery and planting.

While nearly all plants used in rock gardens are perennials, this does not mean that they will live and thrive for ever. Many "wear out" and when they do, replace them with new vigorous growing plants.

Replacing now for old plants is not too difficult since most rock garden plants can be propagated from cuttings or division of roots.

Among the unusual varieties of rock plants which may be used for replacement is Geranium Russel Pritchard. It comes from Holland and produces lovely deep rose flowers which shade off into blue with age. Its foliage is neat and compact which make it ideal for rock gardens.

CARE IN THE FLOWER BEDS

The Summer bedding plants are now at their best and

whether or not the display will continue right through to the end of the season largely depends upon the little attentions given to the beds this month.

The condition of the soil is an important factor. In hot, dry weather no ground bakes and cracks worse than the beds of annuals. Under such conditions, the air and moisture supply to the roots are so deficient and unsatisfactory that the plants lose their bottom leaves and the new blooms are poor and thin.

Make it a point, then, to loosen the soil with the Dutch hoe or hand fork immediately you see any sign of caking. Better still, get down a good mulch between the plants.

The regular and systematic removal of faded flowers is an absolute must, if the beds are to remain colourful through until Fall. The best plan is to go round at least once a week with scissors and a basket, clipping of all blooms which have had their day.

The first blaze of snapdragons will soon be over, and with these subjects, the pruning, must be a little more drastic. The faded spikes should be cut out entirely, so that the secondary spikes have a chance to come forward.

Canadian Business Has "Full Head of Steam"

Says B. of M. Review

The volume of business investment has been the outstanding factor in Canada's surging expansion, says the Bank of Montreal in its latest Business Review.

Under the title, "A Full Head of Steam," the B. of M. review points out that the total expenditures by business concerns and private institutions on new non-residential construction, machinery and equipment in the first quarter of this year were nearly a third higher than the

same period of 1955.

"There is every reason to believe that these expenditures will continue to rise," says the review, which adds that a mid-year official check on investment intentions in Canada shows that capital outlays of this nature, amounting to \$5,147 million, are contemplated for 1956. This is \$438 million above the preliminary survey published in February and a full \$1.5 billion, or 41 per cent, above actual expenditure made in 1955.

VAST PROGRAMME

"The combined value of all public and private investment planned for 1956," states the B. of M., "amounts to an \$8 billion programme, more than a quarter again as large as actual outlays in 1955."

In summing up, the Review says, "there are some areas of demand that, even in the midst of general prosperity, have

lacked buoyancy. There are, on the other hand, individuals, firms and public bodies that have experienced difficulty in securing their capital requirements in a monetary atmosphere than can fairly be described as having been tight for the past several months."

But there is no question that, viewed in the aggregate, the Canadian economy is operating under a full head of steam. "Such a condition," concludes the review, "warrants close attention to the pressure gauges of the economic mechanism and careful handling of the safety valves by the monetary authorities; plainly, however it does not call for an indiscriminate stoking of the furnace."

During 1955 the area planted to commercial vegetables in Canada was 198,620 acres, an increase of 14 per cent over 1954.

Black Enamel For Elegance

Accents of black are dramatic against the warmth of light woodwork and the softness of pastel walls and draperies.

Modern furniture is available in black finishes, but for the do-it-yourself homemaker there is a black enamel on the market especially designed for furniture. It is not hard and shiny like traditional enamel, nor dull like flat wall paint, but has a soft, lustre which the paint-makers call "eggshell black."

No one wants a whole set of black furniture, of course, but occasional pieces can be finished effectively to accent the colour scheme of any room. A black coffee table will bring out the rosy glow of a beige carpet. Fine book-bindings will look delicate knick-knacks will look their best on black shelves. A delicate chair or bedside table finished in lustrous black will give a bedroom an air of sophistication and elegance.

RE-FINISHING EASY

In re-finish an old piece of furniture with modern black, it is not usually necessary to remove the old finish. Just make sure it is free of wax. If the surface is chipped or scaly, though, paint remover will be necessary. On the dry, clean surface goes the first coat of black enamel. Let it dry thoroughly, sand again lightly, then apply the second coat. The result is a chest of drawers, an end table or a chair with a modern air which will do wonders to a toneless room.

ODDS AND ENDS

If the children get chewing gum imbedded in their clothing or in a carpet, rub with a piece of ice and scrape it off. If a stain remains, sponge with carbon tetrachloride.

Rust from a clothes line can leave bothersome stains on garments. But these can be removed.

ed by sprinkling salt over the stain, moistening it with lemon juice and then exposing it to strong sunlight, renewing the lemon juice occasionally.

Costume as well as expensive jewellery, including diamond rings, can be cleaned by immersing the pieces in a solution of one teaspoon of ammonia in a pint of warm water. Let the jewellery stand in the solution for about half an hour. Most metals except brass and copper can be cleaned this way.

Social Credit Garden Party for White Rock

The Women's Auxiliary of the White Rock Social Credit Party will hold a garden party on Wednesday, August 15, from 2 to 4 p.m., at the home of Mr. and Mrs. W. P. Bishop, Bishop Road.

Hon. Wm. Chant, Minister of Public Works, will be guest speaker. Other speakers will be Mr. Geo. Hahn, M.P., and Mr. Tom Irwin, M.L.A. for Delta. There will be a door prize, and tea will be served. Everybody welcome.

Come On In—The Water's Fine

Continuing sunny weather and warm water have combined to make swimming lessons for members of the White Rock Amateur Swimming Club, delightful, and especially for the younger set this past week.

Recent graduates to the tank include: Forrest Fennell, Margaret Hill, Wayne Clifford, Phyllis Way, Philip Toomes, Reg. Stevenson, Reg. Howard, Martin Peterson, Phyllis Blain, Cindy Thorpe, Myles Winch and Sharon Lloyd.

Hometown Shopping

WITH KATHRYN

It seems early to be talking about "back to school" but that time is slowly but surely rolling round again. At IDA'S FASHION SHOP there are some lovely new fall sweaters and skirts already in stock. The famous Wolsey, Lansea and Meridian short and long sleeved pullovers and cardigans made in Great Britain. Some of the nicest and most practical skirts for school wear I have seen, were the permanently pleated plaids at only \$8.95 and washable into the bargain. There is of course the ever popular straight skirt in a host of beautiful colours and at the reasonable price of \$6.95 at IDA'S FASHION SHOP, WASHINGTON AVE., SEMIAHMOO, PHONE 5-1001.

Sometimes we may forget when that "favourite" chair becomes a bit shabby, that there is a service right in our own town, to make it like new again. I refer of course to the HILLTOP INTERIOR DECORATING, where a consultation with Mr. or Mrs. McEwan would solve many of your decorating problems, large or small. For draperies and chair coverings there are fabrics and tapestries to suit every taste, from the most reasonable in price to the most expensive, at HILLTOP INTERIOR DECORATING, 15159 BUENA VISTA, PHONE 5-3031.

White Rock's newest shop is the SMALL FRY SHOP situated on Campbell River Road, opposite Semiahmoo Park. There you will find the most adorable baby clothes in right up to the minute styles. Some of the baby dresses are worth a trip to the store just to look at and if you are shopping for a gift for a new baby the SMALL FRY SHOP is the place to go. There is a summer sale on at the moment and prices are such that you can make a really worth while saving on "small fry" clothes. For back to school time there will be apparel in stock for children up to the age of 12 years. SMALL FRY SHOP, 15677 CAMPBELL, RIVER ROAD, SEMIAHMOO.

PRESCRIPTION and HILLTOP PHARMACY have the agency for batteries for every type of hearing aid, so remember a trip out of White Rock is not necessary to purchase this item. Drop in any time and have your battery tested at PRESCRIPTION OR HILLTOP PHARMACY who also sell the Zenith Hearing Aid. Prices range from \$50 to \$150. "If you have any problems or questions concerning hearing aid service, you are cordially invited to take advantage of the complete facilities for serving those in need of better hearing" at PRESCRIPTION AND HILLTOP PHARMACIES, WHITE ROCK. PHONE 5-3336 AND 4-6221.

RECIPE OF THE WEEK

Apriotti time is here and though this delicious fruit may be in rather short supply because of the hard winter in the Okanagan and elsewhere—there are still enough around in the shops for us to have a few on hand for some of our favourite recipes. This recipe came from a treasured cook book of Mrs. Aubrey Layley's. It makes a perfect dessert for a warm August day when you want something special for "company" dinner or for a final touch to a buffet party. It takes no cooking and can be assembled in a matter of minutes—then put to cool in the refrigerator.

- 1/2 pound vanilla wafers
- 1 cup powdered sugar
- 1/3 cup butter
- 2 eggs, well beaten
- 1 medium sized can peeled apricots (drain well)
- (Fresh apricots can be used)
- 1 cup whipping cream
- 1/2 teaspoon vanilla (almond flavoring makes a nice change)
- 2 tablespoons sugar to cream

Crush the wafers with a rolling pin and line the bottom of a spring pan (size approximately 8 x 8 x 2) with the crumbs. Cream the butter and slowly beat in the sugar. Add the beaten eggs and mix thoroughly. Spread this mixture over the crumbs in the pan. Place the apricot halves on top and cover with the sweetened whipped cream. Sprinkle with the remaining crumbs and let stand in a cool place or in the refrigerator 24 hours. Cut in squares for serving. Will serve eight. Strawberries or canned pineapple may be substituted for the apricots.

Mrs. Aubrey Layley.

Reeve Nesbitt Answers Councilor Burrows

Letters published in this column are the sentiments of the writers themselves and are not necessarily subscribed to by the Editors.

Johnston at North Bluff Road.

White Rock 4-4241

$\frac{1}{2}$ x 10 bevel siding, No. 2 Com. Long lengths \$39.00
1 $\frac{1}{2}$ D-grade jamb, lineal ft. 15c

Here's what Imperial does with its money

Of every dollar Imperial Oil took in last year, more than half went to buy raw materials, such as crude oil.

Operating and administrative costs, depreciation, and the wages of Imperial's 13,500 employees took about a quarter.

Just over a tenth went in taxes, not including the road taxes in the various provinces.

Just under nine cents was Imperial's "profit" of which five cents was re-invested in the business.

So, of every dollar Imperial took in last year, just over four cents went in dividends to the company's 45,000 shareholders.

IMPERIAL OIL LIMITED

To the Editor.

Dear Sir: It has been drawn to my attention that an open letter to the taxpayers of the Municipality of Surrey appeared in the July 26th issue of the Semiahmoo Sun, over the signature of Jack Burrows, Ward 7 Councilor. Most of the statements contained in the said letter are entirely false, in fact I would state that they are deliberate lies, and are designed to deceive or mislead the public.

Mr. Burrows says, and I quote, "At the beginning of this year each ward in the Municipality was allotted \$10,000 for maintenance." Apparently Mr. Burrows is not able to read, and in my opinion someone, possibly an ex-Councilor, must have told him of the above allocation, because a tentative programme of work was prepared by our Superintendent of Public Works, and was approved by the Council, whereby \$10,000 per ward was allocated towards the carrying out of this programme. There is absolutely no mention of maintenance appearing in the motion or in the minutes. Councilor Burrows also states that by a sloppy method of accounting somewhere there appeared to be terrific over-expenditure in one ward. I might say that the treasurer and his staff who have been employed in this capacity by the Municipality for a number of years, and our Auditors apparently approve of our accounting system. I just wonder if Councilor Burrows possesses the necessary book-keeping qualifications to be an authority on accounting or book-keeping? I doubt it very much.

Perhaps the most deplorable part of Councilor Burrows' letter is his unfair and unwarranted attack on our Municipal Manager, who is recognized in Municipal circles throughout British Columbia as a man of sterling character, possessing the highest qualifications for the office which he holds, a man who was given a vote of confidence by the Surrey Council on July 9, which was made unanimous by the affirmative vote of Councilor Burrows himself. In this attack on the Manager, Mr. Burrows not only ignores what he himself voted for, but also chooses to ignore, or is ignorant of the fact, that the Municipal Council is a legislative not an administrative body; and the Manager, whose function is administration, has in the matter of administering the maintenance fund carried out to the letter the legislative policy laid down by the majority vote of the Council, and it may here be pointed out that in a democracy the majority of a legislative body still rules on all levels of Government.

With reference to the Pacific Avenue detour, Councilor Burrows again chooses to ignore, or is completely ignorant of the issue which was decided upon, and which he voted for. This was not a question of deciding to spend the sum of money on maintenance, it was a question of whether this particular expenditure could be charged to a project, which in this instance was the Campbell River Road, in which case the Provincial Government would have to pay 50 per cent of the cost. A motion was passed, and I quote "That Pacific Avenue, between King George Highway and the Stayte Road, be dusted with calcium chloride at a cost of \$300, and that it be charged to the PROJECT. If the Provincial Government does not pay their share then the cost is to be charged to maintenance."

Further with reference to Councilor Burrows' statement in connection with Council approval of maintenance expenditures, does he suggest that before a grader is put on the road or before a load of gravel is put in a pothole, that the cost of this work should first be estimated and brought before Council for approval before the work is carried out? If so why go to the expense of hiring an administrative staff? In my opinion if the Council is going to assume these administrative duties, then the Council will no longer be a legislative body, but would be a group of glorified

Ward Foremen.

During my several terms on the Surrey Municipal Council, I have endeavored to make a thorough study of all phases of Municipal affairs, and I agree with Councilor Burrows that Surrey Municipality is big business, although I do not know where he got that idea unless he heard someone refer to it as such because so far, in my opinion, during the few weeks he has sat on this Council it would appear that he has been conscious of only one phase of Municipal business, and that one phase is that the Surrey Council, by majority vote, set up a maintenance fund of \$175,000 for roads in all of Surrey prior to his election to office. Apparently he is not at all interested or concerned about how the Council has spent the other odd millions of Surrey taxpayer's money on such things as water, sewer, police etc.

In replying to Councilor Burrows' open letter to the Surrey Taxpayers, appearing in the Semiahmoo Sun under date of July 26, I am only correcting the mis-statements which he, Councilor Burrows, has made, and do not wish this reply to be considered as a personal attack on Councilor Burrows as an individual.

As Reeve of Surrey Municipality, I feel that it is my duty to defend the actions and decisions of the majority of my Council and to defend the honour and integrity of our Municipal Manager and administrative staff.

Yours truly,
ROBERT M. NESBITT,
Reeve.

THE CHURCH SPEAKS

know ye not that ye are the temple of God. 1
Corinthians 3-16.

Knowing again into the teaching of Paul, previously
by some ungodly they are reconverted to God. I know it
would seem that he gives some excellent reasons why;
one of which is contained in the above passage; if these
words are true, and we know they are, then his advice
and instruction are just the same for you and I today.
As we pass through this life of ours do we realize what
Paul has said? Do we treat our physical bodies as the
temples of God? Do we act in our daily affairs in such
a way that we show something of that Spirit of God that
is within each one of us, in other words is ours a prac-
tical everyday religion. In 2 Corinthians 6-10, Paul said
"For we must all appear before the judgment seat that
everyone may receive the things done in his body ac-
cording to that he had done whether it be good or bad.

Laid to Rest

HARMON: Aug. 4, 1956, Anna
Harmon of 8314 Hickleton Rd.,
North Surrey, age 43. Survived
by her husband; 5 children,
Clayton, Darwin, Delnor, Terry
and Sandra; her father,
Jacob Heinrichs, Winnipeg; 2
brothers, John and Jacob; 4
sisters, La Vonne, Dianne,
Helen and Margaret. Funer-
al service will be held on
Thursday, August 9 at 11 a.m.
from Chapel Hill Funeral Par-
lour, to Sunnyside Lawn, Rev.
A. E. King officiating.

HUNT: August 3, 1956, Rosa
Hunt of 15832 16th Ave., White
Rock, B.C., passed away at
Royal Columbian Hospital, in
her 77th year. Survived by her
loving husband, Albert; 4 daugh-
ters, Mrs. L. H. (Mildred) Keith
of Tiger Lily, Alta.; Mrs. Ger-
trude Drennan, Picture Butte,
Alta.; Mrs. F. C. (Alice) Ben-
son, Tyner, Sask.; Mrs. J. (Est-
her) Chapman, Perdue, Sask.; 2
brothers and 2 sisters, St. Aus-
tine, Cornwall, England, 16
grandchildren and 16 great-
grandchildren. Funeral service
will be held on Wednesday, August
8 at 1 p.m. from White Rock
United Church, Rev. W. Ward
officiating. Chapel Hill Ltd. Fun-
eral Directors in charge.

WELCH: August 2, 1956, Al-
bert Chester Welch of Howard
Road, Ocean Park, age 74 years.
Survived by 2 sons, Ralph C.
Winnipeg; David W. Ocean
Park; 2 daughters, Mrs. Cecil
Turner (Agnes), Lulu Island;
Mrs. John Cunn (Dorothy),
Roseberry, B.C.; 10 grandchild-

ren. Funeral service was held
Monday, August 6 at 2 p.m. from
Chapel Hill Funeral Parlour,
Ave. at E St. to Sunnyside
Lawn, Rev. W. B. Willan offi-
ciating.

Funeral Rites Held For Valley Resident

A long time, well-known resi-
dent of the Fraser Valley, Wil-
liam Alfred Moore, passed away
in the White Rock District Hos-
pital on August 4 in his 71st
year.
"Bill," as he was familiarly
known to his friends, first came
to the Chilliwack Valley from
his native Norfolk, England, in
1912. Later he farmed in the
Langley, Matsqui and Sumas
districts. He developed his well-
known dairy farm at Kennedy
Ridge, Sumas, and also served
five and one half years on the
Sumas Municipal police. He re-
tired to White Rock five years
ago on account of ill-health. Mr.
Moore is survived by his lov-
ing wife, a daughter and son.
In-law, Viola and Frank Kish,
Kiel Street; two grand-children;
four sisters in England; two
brothers, Walter and Arthur in
Chilliwack.

Funeral services were held at
Henderson's Funeral Chapel in
Abbotsford, Wednesday, August
8 at 3 p.m. Burial followed in
Musselwhite Cemetery, Sumas,
Rev. Callund officiating.

Well-known Pioneer Passes Here

METHERAL: August 3, 1956,
Richard Willis Metherral of
15181 Columbia Ave., age 85
years. Survived by 3 sons,
Thomas, Portage La Prairie;
Allan, New Westminster; Doug-
las, Seattle; one daughter, Flo-
rence, Regina; 3 grandchildren, 3
great-grandchildren. Funeral
service was held on Tuesday,
August 7 at 2 p.m. from Chapel
Hill Funeral Parlour to Surrey
Centre Cemetery, Rev. W. Ward
officiating.

Mr. Metherral had lived in
White Rock since 1937, coming
to the coast from Weymouth,
Saskatchewan, where he was a
pioneer farmer.
Born in Creemore, Ontario,
he went to the prairies in the
early days to take up land be-
fore the province of Saskatche-
wan was formed.
He was pre-deceased by Mrs.
Metheral in 1950.

Witnesses Send Resolution To Russia

Mr. F. J. Twiss, local presid-
ing minister, announced today
that local Witnesses of Jehovah,
assembled in convention at
Victoria, August 2 to 5, added
their voices in approval of a
resolution protesting the unjust
persecution and denial of hu-
man rights of their group in
Russia and her satellite coun-
tries.

Saturday, 177 Witness candi-
dates were baptized by water
immersion in the Crystal Gar-
dens Swimming Pool.
On Sunday afternoon a crowd
of 6,381 overflowed the Memo-
rial Arena, to hear Mr. A. F.
Danley, Convention Manager,
speak on the subject, "Why Per-
manent Peace will come in Our
Day."

The cafeteria, specially con-
structed on the east side of the

Arena, and covering 11,000 sq.
feet of floor space, served close
to 25,000 meals during the four
day event.

Crescent Association Back Councillor

By Louise Hastings.
At the meeting August 1 of
the Property Owners' Associa-
tion, there were 14 members
present, besides the president,
W. W. Hastings, the secretary,
Mr. L. L. Adams, and the
treasurer, Councillor Aubrey
Stevens was present, and an in-
teresting and progressive meet-
ing was held.
A letter from Mr. A. P. Mc-
Lean, of the White Rock office
of the BCER, in reply to one
from the above association, was
read. Mr. McLean stated that
the complaint of low voltage,
which had played hob with sev-
eral motors of electrical equip-
ment around Crescent, was be-
ing looked into. He said that
only one had been brought to
his attention, and it was due to
"a freak accident beyond our
control."

Mr. McLean assured Crescent
users that any complaint would
receive immediate attention.

BEACH CLEAN UP
Mr. Jack Berry told the meet-
ing that the man who is re-
sponsible for the cleaning of the
beaches is coming over on
Mondays and Thursdays. Coun-
cillor Stevens informed the
members that he had hired this
man for \$100 for the season.
Also, that he has ordered six
half-barrels to hold refuse from
the public use of the beaches.
Credit is due to our Councillor
for taking such prompt ac-
tion when it was needed.

BACK COUNCILLOR
Mr. Adams read a column ap-
pearing in a city daily some
weeks ago, and called it very
bad publicity for Surrey. The
item concerned a request for a
breakdown of maintenance
costs per ward. There was not
available any such information.
The meeting went on record
to approve the stand of our
councillor that while Surrey is
on a ward basis, the books
should be kept that way, even
if the whole set-up should
change next year. Time enough
then to install a municipal
book-keeping system.
The Fire Hall is waiting for
the roof to be put on. Bids will
be coming in soon.
Members voted to support a
petition for a light to be in-
stalled at the north end of
O'Hara Lane.

These fingers now free from
warts, after using

**DEIGHTON'S
WART REMOVER**
Made from herbs. Not an acid.
Warts and other fungus growth
on hands, face, feet, removed
permanently within 3 to 5
weeks. Not injurious to healthy
skin. Now obtainable at
Bush's White Rock Pharmacy.
